Heads, Hearts & Hands for Christ in Service & Celebration

Volume 37, Issue 9

March 7, 2022

Last Sunday, March 6, a new safety policy was begun here at Eastminster.

All church doors will remain unlocked until Sunday School classes are over. Once Sunday School has ended, Jim Van Cleave will lock the east side backdoors, the kitchen entrance, and the office entrance to the building. The Gallery and Narthex doors will remain unlocked. By doing this, we hope to encourage folks to enter the active areas of the church so that visitors, etc., can be greeted or assisted.

At various points throughout the worship service, Jim will walk the building to make sure things are in order.

If you will be having a daytime meeting throughout the week, things will also be a little different. Please tell your participants that they must enter through the Gallery or the Kitchen doors. Once your group has arrived, Marian will lock those doors.

If you need to visit the church office during the week, please use the entrance nearest there and press the buzzer to alert the staff, who will then open the door for you.

This isn't meant to alarm anyone, it just means we are making our church safe for all!

## Congregational Challenge!

The Youth have challenged the adults in our congregation to become involved in their activities - and to have some fun!

Each Sunday, the youth will invite 2 or 3 members of the congregation to join them that evening during Youth Group, to join in their games and activities, and to make a donation to the Youth Group Fund.

When your name is called, please meet the Challenge!

Remember that Daylight Saving Time begins this weekend.

Set your clocks ahead one hour.
