Heads, Hearts & Hands for Christ in Service & Celebration

Volume 40 Issue 25

July 29, 2024

It's the hope every Sunday, and it happened this past weekend. We had a truly wonderful worship service - stirring, centering on God, turning outward in faith and love, and following Jesus out into the world.

Trey's inspiring message, Alanna and Anne's wonderful special music, Ryan Luttrull's incredible playing on the organ, and Addison's liturgizing provided a Spirit stirring worship service that was God-centered and called us to turn outward in Christ toward the wider community, to work together in following Jesus in loving, faithful service out into the world.

If you were away Sunday and didn't have a chance to worship with us, I hope you will go online and watch.

I'm looking forward to a new sermon series on Ezra-Nehemiah – scripture that is abounding with steady strength and shows God's eternal momentum even through massive obstacles.

Let us worship God!
 Grace and courage, Ryan

CONGREGATIONAL MEETING

BUILDING UPON THE GREAT FOUNDATION

Sunday, August 18, immediately after worship service, we will gather to embark on a great journey of growing in Christ. We are very excited to share that nominees for the capital campaign team will be prayerfully lifted up. All active members are encouraged to attend this **called congregational meeting**.

Thank you for the generous hearts and spirit you go forth with!

May Christ always be our foundation, our goal, and life, that we all wholeheartedly share in the world God loves.

Starfish Ministry

The Starfish Ministry Team would like to thank ALL of you who donated school supplies and monetary gifts that have enabled us to exceed our goal of sponsoring 35 students. Because of your generosity, we will be able to go into 13 of our Title One Schools and gift those schools with extra supplies.

Would you be willing to step out a little further in helping Starfish Ministry by saying you would like to take supplies to our local schools? If you would be willing, see Diane VanCleave or Mary Fulkerson to find out more information and to make arrangements in delivering those much needed supplies to our schools. Thank you to the Eastminster Congregation for being so generous!

PAVING THE WAY

We give thanks for an incredibly generous congregant who anonymously covered the complete cost of a total renovation of the front sidewalk just outside of the sanctuary. That gift and project is another beautiful reminder that the steps we take going into and out of worship have been paved by the generous grace that continues to go before us.

Again, great thanks to the anonymous donor! All glory be to God!
