Heads, Hearts & Hands for Christ in Service & Celebration

Volume 41 Issue 26

July 21, 2025

Stormy skies couldn't keep the mission group of youth and adults from rallying to lead games at Heritage Woods on Saturday afternoon.

105 years young member, Betty Richard, and all the residents were very grateful for their presence and the fun shared.

Play and silliness gave way to many residents opening up to share more about their lives and their faith.

Toward the end, when we asked what game they'd like next, they answered with a question. The residents wanted to learn more about each youth and adult who had shown up there to share the love of God through play.

In a world full of so much disconnection, may the Spirit lead us to put our faith into action and bear fruit of good connections!

Grace and courage,
Ryan
