As part of the pastor search process, Session and Presbytery would like to be able to present some background information about our congregation. To that end, they would like to know to what, if any, charitable, philanthropic, and/or community organizations our members belong.

We hope you will share that info on the attached form and put it in the offering plate for session.

LARGER MISSION CONTRIBUTION - update

Eastminster is blessed to be part of the historic, reformed, Presbyterian Church USA denomination, and to share in its transformative mission in the world. Together, we give each year towards this mission. This larger mission contribution, often called "Per Capita", provides support for vital denominational and ecumenical ministry, for the ordination process, for mission, for important advocacy, and for leadership.

2026 Per Capita giving dues per congregation member is \$61

2026 amount given so far is \$2,134.

2026 commitment dues for our congregation is \$14,152

The \$61 per member can be a challenge. Those of us that can pay it forward for other members and families are greatly blessing the work of the larger church.

You can also give in smaller amounts through the year too. Each gift of any amount furthers the impact we can have together in Christ in this hurting world.

Let's be a part of the larger church and our light shining brighter in the world!

Thank you for sharing in the Spirit of generosity and mission in action!
